

MEMBER-GET-MEMBER PROGRAM

Refer to Earn, Spend to Save

Eligibility: Existing members of the Automobile Association Philippines (AAP) are eligible to participate in the Member-Get-Member (MGM) program and can refer family members, friends or colleagues to join as new members.

NEW AAP MEMBERS are individuals who have no prior record in the AAP database.

Existing members (**Referrer**) can refer new members by submitting the official AAP application form, including the contact details of the referred individual (**Referee**). The Referee will then be contacted by AAP personnel to complete their membership application.

For referrals made through the AAP MGM Program, the Referrer confirms the following:

1. Consent of the Referee: The Referrer has secured the Referee's explicit consent to provide their personal data to the AAP for the purposes including membership processing, communication, and marketing related to AAP and its subsidiaries' products and services.
2. Data Consistency: The Referrer ensures that the Referee's personal data provided is accurate, up-to-date, and aligns with the consent given by the Referee.
3. Disclosure Notification: AAP will inform the Referee that their personal data was provided by the Referrer.
4. Data Usage Compliance: The use of the Referee's personal data by AAP adheres strictly to the consent obtained by the Referrer.
5. Indemnification: The Referrer agrees to indemnify AAP against any loss, damage, or liability resulting from a breach of these warranties.

Rewards: For every successful referral, the Referrer receives AAP vouchers and e-affle coupons based on the membership type availed by the Referee. Please see below for the corresponding AAP vouchers for each membership type:

Limits: There is no limit to the number of referrals a Referrer can make—the more referrals, the more AAP vouchers and e-affle coupons they can earn.

Criteria for Success: A referral is deemed successful once the referred individual completes their membership application and pays the membership fee.
